To Whom It May Concern:

During the first part of 2014 Lighthouse Catholic Media has worked closely with David Mayo. He has been very thorough in his follow-ups and correspondence, and prompt in everything we asked him to help us with.

David has had great insights, which will have a profound impact on our accounting, financial systems and annual audit. We were very pleased with all his support and would highly recommend him to any company looking to gain insight into their business.

Sincerely,

Mark Middendorf  
President  
Lighthouse Catholic Media
